Freedom travel gave different options on dates, price, airports and accommodation and travel insurance. Freedom travel printed our insurance cert and boarding cards for both flights. The apartment accommodation was clean, modern decor and very spacious in a central location but yet was very quiet. It also offered the option of transfer to and from the airport for €20 each way which was very helpful. It was virtual check-in so we were given a code for the door and a number to call if needed.

The one issue that I wish the travel agent had done on our behalf would be the online Spanish passenger location form, which was frustrating and time consuming to fill out and sent you back to the first page if you made an error. We didn't get a Freedom Travel balloon!

**Would you recommend this destination ?**

Valencia has already been added to several friends travel list after they saw my photos. I think I might take up a career as a travel blogger!

**Where is next on your wish list?****We would love you to share your photos with us with or without the balloon**
